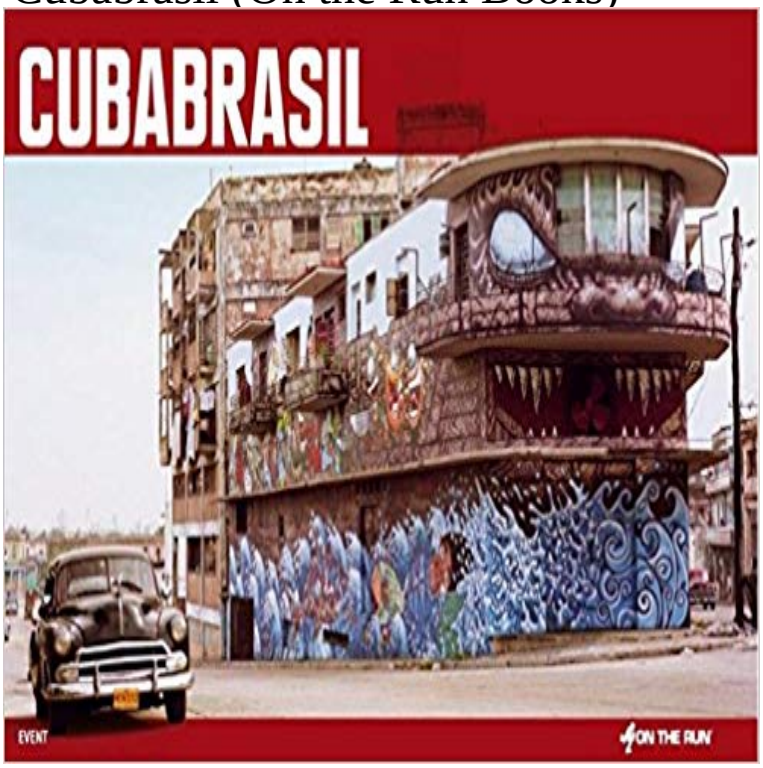
Cubabrasil (On the Run Books)



Cubabrasil: Over 25 artists from Brazil, Germany and Cuba joined forces in this extraordinary creative coming-together, which took place in Havana, Pinar del Rio, SA?o Paulo and Berlin. This book documents the countless pieces and large-scale murals, guerrilla video projections, workshops and exhibitions, which were born from this intercultural collaboration. Cubabrasil features Latin American aerosol stars like Os Gemeos, Vitche, Nina and Joana; German aerosol artists Won, Neon, Cemnoz, Stone, the video artists group BerlinBeam-Boys and some of Cubas best muralists.
