

Worth Exposing Hollywood: Frank Worths Glamorous and Unpublished Hollywood Photographs 1939-1964

Frank Worth was friends with the likes of Marilyn Monroe and James Dean. This collection includes photos of Elizabeth Taylors first wedding and a shot of Marilyn Monroes dress blowing up and Billy Wilder, seconds before the News Syndicate iconic shot was taken. Most of the photos are from the glamorous era of the 1940s and 1950s.
