

Christopher Nejmans Pillows: Designer Sewing Techniques

No other book on the market demonstrates how to create designer pillows! Affordable elegance - many quality sewing machines cost \$200 or less and can easily be used to create vibrant high-style items. This exquisite sewing guide helps you gain confidence in your own creativity, and truly believe your favorite sewing machine has unlimited potential. Skilled designer and charismatic sewing instructor Christopher Nejman demonstrates, in 200+ color photos, how to utilize sewing machines and creative techniques to create 15 stunning designer pillows. In addition, you'll also gain instruction for using different threads, fabrics, needles, decorative stitches, embellishments, and presser feet to create high-end designs for the home.
