

# Blackwells Five-Minute Veterinary Consult Clinical Companion: Small Animal Dermatology

This quick reference manual offers accessible, reliable knowledge on small animal dermatology in the popular Blackwells Five-Minute Veterinary Consult format. The second edition of Blackwells Five-Minute Veterinary Consult Clinical Companion: Small Animal Dermatology is a completely new compilation of information, with rewritten, reorganized, and updated chapters which offer even faster access to commonly used dermatology information. Aiding busy practitioners in making rapid, accurate decisions, the book offers complete coverage of diagnostic tools and information in an easy-to-use bulleted format. This new edition includes many new topics such as diagnostic cultures, the diagnostic approach to the dermatology patient, precancerous conditions, zoonoses, and breed predispositions. In addition, existing content has been fully revised to provide a resource that is current and clinically relevant. New to this edition are printable client handouts on a back-of-book CD for use in your practice. With more than 550 color photographs to aid in diagnosis and useful appendices on dermatologic drugs and toxicities, the book is packed with essential information for veterinarians and students alike.
