

Easy Elegance

The essence of Easy Elegance is a relaxed, comfortable, and stylish home. In Easy Elegance, Atlanta Bartlett offers a liveable, practical and elegant alternative to the fast-changing parade of interior trends and slick show homes. The four cornerstones of the Easy Elegance look are comfort, simplicity, function and individuality. Once these elements are in place, Atlanta reveals the different facets of the look to help you pinpoint the style that suits you best. Choose from the sleek lines of Modern Elegance, the cosy comfort of Country Elegance, the quirky appeal of Retro Elegance, the soft sensuality of Feminine Elegance or the vintage charm of Faded Elegance. Finally Atlanta take you through every room in the house, demonstrating how to put the look into practice. The result is a warm and welcoming home that suits the way we want to live now.
