

## Saxophone Basics: A Method for Individual and Group Learning (Teachers Book) (Alto Saxophone) (Faber Edition: Basics)

This is the teachers book accompanying Saxophone Basics Alto Saxophone. Designed to complement the corresponding pupils book, this volume contains a variety of simple piano and saxophone accompaniments with some teaching tips too. From absolute beginner to about elementary level (Grade 2), Andy Hampton's method is full of humor and interest which makes it perfect for young saxophonists. The simple arrangements mean that this book is ideal for woodwind teachers who do not specialize in saxophone.
