

The Rise and Demise of Kenneth Kennedy-Smythe: A stage play

The Americans have struck France with no apparent motive. Kenneth, war correspondent for the BBC, finds himself publicly disgraced and silenced after expressing personal disgust at the actions of the attackers. Kenneth's girlfriend, Jennifer, royal correspondent for the BBC and ceaseless social climber, finds herself caught up in a propaganda trap after being given a position of media power. Her task - to detract the media away from the war...
