

# The Pro Drummers Handbook: Tips and Tools to Survive As a Working Drummer

If you dream of having a career as a professional drummer, then this book is for you! Recording artist and professional drummer Pete Sweeney offers advice on playing the drums and surviving in the music business. Covering everything from technique and effective practice to passing an audition and how to make it as a freelance drummer, this comprehensive guide is the ultimate reference for any aspiring professional drummer. You'll be coming back to this useful reference book for years to come. The CD contains the examples.
