Minimum instrumentation for method effectiveness 2-XE, 1-XB, 2-TP, 1-TB, 1-P, 1-B, 1-D The SOE Jazz Ensemble Method is designed for use by mid, JR, HS, community jazz ensembles, and in the private studio. The book is divided into three sections, each representing a different jazz style: rock, swing, and Latin. Each section contains rhythm studies and improvisation studies which may be played with other members of the ensemble or with accompanying CD (affixed to the back cover). Each section of the book also includes jazz chart (13 total) that applies what is learned in the rhythm and improvisation studies. The flexible scoring allows for a full-sounding ensemble with as few as half the standard instrumentation. The directors score include tips on player selection, band setup, audio reinforcement, music selection, rehearsal suggestions etc. The SOE Jazz Ensemble Method will be for both the seasoned jazz band director and the band director with little or no experience at all.
