

Mel Bay Beginner Viola Theory for Children, Book Two

Book 2 in the Melanie Smith viola theory series introduces students to new music and theory concepts which are fundamental in developing a deeper understanding of the viola. Book 2 will begin by covering the theory involving the ranges of notes for the viola and then moves into specific theory concepts such as note and rest values and time signatures. The final section of Book 2 focuses on musical terms and includes a comprehensive review of all instructional concepts covered in the book.
