

## European Parliament After Ten Years

It is rare for even highly symbolic buildings to arouse interest a posteriori. Nevertheless, architecture is by definition long-lasting! On the occasion of its tenth birthday the European Parliament in Strasbourg was re-visited by its architects, the Architecture Studio. This title describes the occasion and their current and retrospective thoughts on the architectural, environmental, contextual, regional, social and political fate of the prestigious building, which in session accommodates 785 Members of the European Parliament.
