

# The No-Budget Filmmakers Guide to Guerrilla Marketing: A Collection of Tips & Tricks for the No-Budget Filmmaker

This new book, collected from an assortment of blog posts on Platypus Undergrounds website, will take no-budget filmmakers step-by-step through the process of marketing their no-budget films and getting their work seen at film festivals around the world. In this book you will learn:

- What social media tools you should be using and how to use them properly
- What to include on your movie/production company's website
- How to get your movie reviewed for free by bloggers and websites
- Why you should blog and how it will help your movie and your career as a filmmaker
- Ways to boost your chances of being accepted into film festivals (without having to kill anyone)
- And much, much more!

This book will provide all the answers you've been looking for when it comes to social media and promoting your no-budget independent films.
