

A Hymn to Him: Lyrics of Alan Jay Lerner

In the course of a career which produced sixteen musicals, most of them written in collaboration with his long-standing partner Fritz Loewe, Alan Jay Lerner won a place among the greatest lyricists of the century. Songs like *On a Clear Day, I've Grown Accustomed to Her Face*, *I Remember It Well*, *On the Street Where You Live*, and many others have transcended the musicals for which they were written and passed into common currency. This collection of Lerner's lyrics includes not only the much-loved songs from his musicals but also the less familiar work. Hardcover.
