

## Chloe Sevigny for Opening Ceremony: Reds

Actress-designer Chloe Sevigny marks the debut of her new line of unisex menswear with this limited-edition hardcover volume. First called on to model her collection of tweedy wools, Fair Isle knits, and animal print jacquard sweaters, Chloes redheads became muses for a project focusing on the curious place of red hair in our culture. Curated by Sevigny, *Reds* features contributions from Slater Bradley, Peter Coffin, Matt Damhave, Brian DeGraw, Joe DeNardo, Brendan Fowler, Jess Holzworth, Matt Keegan, Karen Kilimnik, Nate Lowman, Marlene McCarty, Jack Pierson, Rob Pruitt, Aurel Schmidt and Kon Trubkovich. Original works by these artists accompany images by David Armstrong, shot on location at the photographers townhouse in Bedford-Stuyvesant, Brooklyn. In addition, redhead lore from Lily Ludlow explores centuries of redhead mythology, which variously described the fair-skinned, freckled breed as temperamental, magical, unlucky, jolly, beautiful and deviant.
