

## Mark Hayes Sing Praise Project: An Anthology of His Most Popular Anthems for SATB (Listening) (CD)

Here, in one volume, are 10 of Mark Hayes very best creative efforts. Sing Praise Project is an eclectic blend of serious anthems, popular Praise and Worship songs, and some of marks signature foot-stomping, hand-clapping gospel hymns. Whether these gems are sung to the accompaniment of his colorful orchestral InstruTrax (32283) or whether you use the sometimes beautiful, sometimes stirring (and sometimes clever) keyboard accompaniments - the results will be the same: a fulfilling experience for presenters and recipients alike. No choral library should be without Mark Hayes Sing Praise Project.
