

Review Questions and Answers for Veterinary Technicians

With over 5,000 recently upgraded, reviewed, revised, rewritten, and reorganized questions- more than any other exam review- Review Questions and Answers for Veterinary Techniques 4th Edition is your key to success on the Veterinary Technician National Exam (VTNE). This new and updated edition matches the presentation of the exam and reflects the seven domains of the VTNE to ensure the most accurate and effective exam prep available. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. Rationales for answers reinforce knowledge and provide reasoning behind answers. Acclaimed question writers offer comprehensive coverage of topics. New organization reflects the seven domains of the revised VTNE. Exam format consists of a multiple-choice style that mimics the national exam so you know what to expect on test day. More than 5,000 rigorously reviewed questions test factual knowledge, reasoning skills, and clinical judgment.
