

Lifes A Good Gig: A Gringo Musicians Journey Into The World Of Latin Music

Lifes a Good Gig, takes us on an international romp from the ultimate groove to the infamous gig from hell with a band of brothers like no others, some cool cats, some downright deadbeats. Its Jimmy Buffet gone Bill Bryson. Musician/adventurer John Cain, like chef Anthony Bourdain, samples each musical genre like a savory stew, and shares the creative process from the ridiculous to the sublime from the dubious singing dog to X-rated song lyrics to an unimaginable code of professional ethics. Cain explores the mysteries of music and life in this well-crafted memoir of his musical sojourn. Jump on the bandwagon and enjoy the ride!
