

So You Want to Play the Piano?

The piano is a magnificently versatile instrument and great fun to learn, but all the considerations can seem a little overwhelming if you're thinking about taking it up. In *So You Want To Play The Piano?*, concert pianist and piano teacher Melanie Spanswick covers all concerns and gives advice on:

- how to find the perfect instrument
- what to look for in a teacher
- things to bear in mind beyond playing the right notes
- popular books for beginners
- preparing for exams
- supporting a child who is learning
- and much, much more

So You Want To Play The Piano? is an excellent guide for anyone thinking about the piano as their instrument of choice. And who knows, you could see a pleasant pastime become a lifelong passion!
