

Knitted Snake (Girl With Yarn Book 1)

If you're looking for a great new pattern, with a lot of variety, then this Knitted Snake knitting pattern is a great option. It's simple, which is great for beginners of the craft. This is also a quick project. You can easily complete it in about 2 hours! You could have a whole nest of snakes in no time! The product this pattern produces can be used for so many things! What are you looking to make? Chances are you can use this for it! Make these in girly colors like pink and purple, or maybe use yarn with sparkle of some sort. You'll soon see these creations adorning the hair as a hair accessory, draped around necks as necklaces, or wrapping around wrists or ankles as bracelets. The boys will love this as a silly toy! Get out the brown and green yarn. Soon you'll be seeing these little creatures hiding behind furniture, and dangling from doorways. They are sure to be delighted with the shrieks and screams that will most likely be a result! These can be done in any colors, and used for numerous other purposes. Snake lovers may want to have a variety of these decorating their cubicle, or home office. Maybe they can act as a fun addition to your car, and you can have it hanging from your mirror, or have several sunbathing in the back window. These knitted snakes are great for any time of the year, but are especially awesome for autumn. Make these cute little creatures in orange and black, or purple and black, and they'll be perfect for Halloween. They can be used as decor for your spooky, haunted house, or have them act as a great accessory for any dark costume. With the right outfit, you can probably even get away with wearing it as a fun, subtle October accessory at the office, or in the workplace. It's sure to be a conversation starter! Know any readers who love these hissing reptiles? Why not knit one of these for them to use as a bookmark? The way these serpents save a spot is ssssssimply sensational. If your

beliefs lean toward the supernatural, then these also may be worn as amulets. They're a great way to ward off evil, and provide protection against things of darkness. The possibilities for both the looks and purpose of this project are endless, and the uses are limited only by your imagination. So why not try out a new pattern? This Knitted Snake is sure to be a slithering sensation!
