

# The Original Fashion Design Sketchpad: 300 Pages :: 600 Croquis

The Original Fashion Design Sketchpad brings 300 pages with 600 Fashion Croquis for designing on the fly. This book features 300 8.5x8.5 inch pages without the annoying coil binding to snag your bag. Keep it in your book bag year round! There's nothing Hokey about this sketchbook. These are the original designs copied by millions but originally developed and published by Fusello - with more than 20 years in Fashion Design Classrooms from FIT to the Art Institutes. This is the sketchpad that started it all. This IS The Original Fashion Design Sketchpad. The Original Fashion Design Sketchpad features 2 croquis templates per page, each approximately 8 inches high and ready to capture your designs as fast as you can sketch them. Printed in the familiar light grey lines (another original design concept from Joe Dolan at Fusello) for reduced replication when scanning. The book is bound at the top allowing equal ease of sketching for both left and right handed designers! Accept no imitations - and KEEP DESIGNING!! YOU are the future of fashion. We have your back to help get you there.
