

Alejandro Aravena : The Forces In Architecture

After studying at the Catholic University of Chile, Alejandro Aravena (b 1967) established his own firm in 1994. Since 2006, Aravena has served as Executive Director of ELEMENTAL S.A., a non profit company with social interest working in projects of infrastructure, transportation, public space and housing, partnering with the Catholic University of Chile and COPEC (Chilean Oil Company). His architectural projects include the Easter Island High School, a Montessori School, the Garib House, a Medical School, the Siamese Towers, the Pirehuevo House, the School of Architecture, the Verbo Divino School all in Chile.
