

PDxMD Gastroenterology

Information on 23 conditions. Offers in-depth, condition-specific information on diagnosis and patient evaluation, treatment and management strategies, outcomes, prevention/risk reduction, drugs, and more. Provides instant confirmation of clinical judgments for six principal areas: Disease Background, Diagnosis, Treatment, Outcomes, Prevention, and Resources. Features the expertise of nationally recognized leaders in primary care and specialty medicine who have synthesized the latest peer-reviewed resources and evidence-based information. The PDxMD Medical Conditions Series provides the latest on evaluation, diagnosis, management, outcomes, and prevention with concise, action-oriented recommendations for each condition. Based on the breakthrough PDxMD electronic information system, each title in the series provides the same comprehensive approach for each disorder in a consistently organized format that supports clinical judgment at the point and time of care.
