

Planet3e Photography - Volume 6

Planet3e Photography - Volume 5 is an ebook collection of photographs of plants such as sunflowers, day lilies, mushrooms, tomatoes, watermelon, misc. colorful flowers, and leaves. Also includes puppy, moon, rainbows, fall trees, wild life animals such as birds, deer, baby dove, baby robin, and more. Some of the most beautiful and unique pictures of wild life and nature. The author went through a lot of effort to capture, preserve, and share some of nature's most beautiful moments. Colorful and inspirational. These beautiful photos will make a great addition to your iPad or other similar portable device. Approximately 50 photos in this ebook.
