

Oxford American Handbook of Anesthesiology book and PDA bundle (Oxford American Handbooks of Medicine)

The Oxford American Handbooks of Medicine, now available in PDA format, each offer a short but comprehensive overview of an entire specialty featuring instant access to guidance on the conditions that are most likely to be encountered. Precise and prescriptive, the handbooks offer up-to-date advice on examination, investigations, common procedures, and in-patient care. Written by leading American practitioners, these PDAs packaged with the Handbooks will be invaluable resources for students, residents, and practitioners. These PDA versions enable enhanced, multi-layered access to the entire text, illustrations, and tables. Other features include fast access available via the key word search, and a facility for book marking and annotating the text. It is suitable for Palm and Windows Mobile.
